**NETBALL FESTIVAL**

## The Barcelona International Netball Festival (BINF)

is a sporting partnership between two well known organisations each experienced and respected in their particular field and perfectly positioned to deliver a high quality tournament.

### Organisers

**Barcelona Sports Tours** have been organising bespoke sports tours & festivals to Barcelona for 12 years. During this time they have welcomed over 500 sports groups to this beautiful Olympic city to experience culture, excellent sporting weather and high quality sporting facilities that this amazing city has to offer.

With a dedicated team of sports specialists that have worked in schools and sports academies in Barcelona and the UK they are extremely well versed in delivering high quality sports tours to schools and clubs alike. All the team are either native English speakers or local trilingual speakers.

**Sport Arabia Worldwide** have, until recently, specialised in sports tours to Dubai & the UAE with over 8 years of experience and over 250 groups having travelled with them in that time. Whilst Dubai & the UAE continues to be an excellent destination for mid-haul sporting tours, they have now diversified their offering to include short haul options in to Europe for Netball, Hockey, Tennis, Rugby, Cricket & Football.

## BINF - EVENT BACKGROUND AND INFORMATION

BINF sets out to develop the Netball tour concept and deliver an exciting experience in terms of Netball with the added benefit of the diverse culture that Barcelona as a host city of both the Olympic games 1992 and Europe's City of Culture 2002, has to offer.

As well as a rich sporting heritage, beautiful sandy beaches and shopping to die for, Barcelona offers something for everyone! The event is being marketed to schools around the Netball world with high levels of interest already shown from teams in the UAE, South Africa, Australia and the UK.
